Wearing Your Mask

Stay Safe and Mask Up!

*When you wear your mask, you protect yourself and others. Masks work best when everyone wears them. A mask is **NOT** a substitute for social distancing. Masks should still be worn in addition to staying at least 6 feet apart, especially when indoors around other people. Masks should completely cover the nose **and** mouth and fit snugly against the sides of face without gaps.*

Beaconshire Nursing Center introduces.....

ROBOT ANIMALS!

Yips and purrs filled the halls of Beaconshire. With the ongoing pandemic preventing residents from seeing their loved ones, it's been nice seeing the love and comfort on their faces with these animals. We love making our residents happy, and we especially would like to thank the Michigan Long Term Care Ombudsman Program and the Michigan Elder Initiative for making this happen.

Coming Soon.....

#Friends₄Seniors

The Admissions Department is partnering with Baker College to provide a Pen Pal Program to Beaconshire Residents. If you are interested please see Social Services to inquire about eligibility.

Thank you!
